WHITE WINE

CYPRUS

Over the last few years, the wine industry in Cyprus has bloomed, showing promise and setting high expectations. Cyprus is nowadays experiencing a long-awaited renaissance in its wine industry. This is evidently marked in the quality of the wine produced on the island and vividly evidenced by the rising influence of indigenous grape varieties. These are exciting times for Cyprus wines, with many fascinating wines produced.

GREECE

From the shadows of the underground tavernas to Michelin-starred restaurants and from the rocket fuel Retsina of the past to the great Santorinis of the present, Greek wine has made such leaps in the last twenty years that can only be compared to those of Olympic champion Miltiadis Tedioglou. Greek wine does not only tells stories, but now creates standards and inspires. This must be celebrated by spreading the word on a new era of Greek wine.
